REVEGETATION INFORMATION SHEET

BUSHCARE RESOURCES

BUSHCARE

Bushcare Support Program

Delivered by Greening Australia, Trees for Life and Nature Conservation Society. Contact:

Vanessa Narbeth
Bushcare Support Officer
Greening Australia
Cnr Kakoda and Coral Rd
Loxton

PO Box 135
Loxton 5333

Phone: (08) 8584 4711
Fax: (08) 8584 4711
Mobile: 0438 135 652
e-mail: narbeth@greeningsa.org.au

- Support for recipients of Bushcare funding for projects. Support can range from assistance with planning to on-ground support (eg. seed collecting etc.).
- Workshops for groups or individuals on a range of bushcare and revegetation topics.
- Other services include site inspections and developing action plans for priority vegetation areas, accessing labour support through ATCV and Green Corps.

Regional Bushcare Network

Delivered by Department for Environment, Heritage and Aboriginal Affairs

Keith Payne
Bush Management Adviser (Riverland) DEH
Loxton Research Centre
LOXTON SA 5333

Phone (08) 8595 2174
Fax (08) 8595 2110
e-mail payne.keith@sau.gov.sa.gov.au

- Provides support for landholders with Heritage Agreements on their property. Support includes advice and assistance for managing native vegetation, and the development of projects for funding through the Heritage Agreement Grant Scheme.
- Assists community groups and regional officers develop Bushcare projects.
- Supports the Land for Wildlife Program in the Mount Lofty Ranges.
- Provides native vegetation information as part of Property Management Planning Courses.
- Involved in various educational and promotional activities aiming to increase the awareness and adoption of 'best practice' native vegetation management.

Conservation Volunteers Australia

Terry Peacock
130 Franklin St
Adelaide

GPO Box 2875
Adelaide 5001

Tel: (08) 212 0777

E-mail: adelaide@conservationvolunteers.com.au

CVA provide coordination of volunteer teams for the following:

- Native seed collection
- Fencing to exclude stock and feral animals
- Board-walk and walking track construction
- Revegetation – planting tubestock and hand direct seeding
- Surveys of native and exotic fauna and flora
- Protection of coastal dunes, drift net fencing, installing barriers, revegetation
- Hand weed control for bush regeneration and maintenance of revegetation
- Built heritage restoration

CVA also assist with:

- Project coordination
- Community education
- Coordination of community event days

CVA manage National Programs:

- Students in Conservation
- Green Corps
- Remote Coast Care
- Rural Urban Link

Melaleuca Nursery

Bernie Edwards
76 Princes Highway,
Meningie
SA 5266

Tel: (08) 8575 1259

- 41 varieties of local acacias, eucalypts and melaleuca tubestock.
- Other natives available
- Orders preferred.

QUESTIONS YOU MIGHT ASK A SEEDLING SUPPLIER WHEN PURCHASING SEEDLINGS:

- Has the seedling come from seed collected in your local provenance?
- Is the potting mix used free of weed seeds and pathogens?

WHEN CHOOSING SEEDLINGS LOOK FOR:

- Strong, sturdy looking seedlings with good colour.
- Strong, sturdy root systems that are not bound up in the tube or pot.
- Seedlings without insect or fungal damage on their leaves or stems.

REVEGETATION INFORMATION SHEET **SEED COLLECTORS AND SUPPLIERS**

Strathalbyn,
SA 5255

- Range of local and Australian native seed
- Exotic seed supply as requested
- Grower advice also available

Tel/Fax: (08) 8534 4124

QUESTIONS YOU MIGHT ASK A SEED SUPPLIER WHEN PURCHASING SEED:

- Has the seed been collected in your local provenance? Eg within a 10km radius of your revegetation site.
- How is the seed stored?
- Has a germination test been carried out on the seed?
- Do you know when the seed was collected? (how long has it been stored?)
- Does the seed need any pre-treatment before planting?

The revegetation contractors listed responded to an advertisement placed in local newspapers. The Berri Barmera Local Action Planning Association Inc does not endorse any products or services offered by the contractors listed.

If you would like to be included on this list please contact Michelle Campbell (08) 8582 1922.
